

Conferencing and Team Building at Mythe Barn

Event Brief

The event was to train and engage 60 GP Specialist Trainees from the Midlands area. The event required separate dining and conference rooms for 60 delegates and four breakout rooms. This was followed by a buffet lunch and an outdoor team building event in the afternoon.

This relaxed and fun event utilised the Grain Store for the morning presentation. Refreshments and lunch were served in the Cart Barn with seating in the Oak Barn. The Hayloft Suite and Farmhouse rooms were used for the extra breakout spaces and were each set up with 18 chairs and flip charts.

After lunch Mark and our events team took the group to Garlands just a minute walk away to start the afternoons activities. The group took part in "Eggcelent Rocket Launch" where they were split into teams and had to design and build rockets capable of launching an egg 30ft into the air and then return them to the ground unbroken. This was a high energy team event with a dramatic finale.

Client Testimonial

"Thank you to Phil, Mark and the team at Mythe Barn for looking after us so well on our induction day. The feedback from the group was excellent and the day managed to be both productive and extremely enjoyable."

Hilda, Midlands Medical Partnership
