

An Evening Celebration at Mythe Barn

Event Brief

The event was to celebrate the retirement of Phil, a long serving and key member of the Antone team. The organiser wanted a special and memorable venue with a relaxed atmosphere and great food. Fifty guests attended to wish him well for the future and thank him for his contribution to Antone.

Following a site visit, the Oak Barn was chosen as the main room for dining. A number of excited guests from Antone arrived early to decorate the barn with balloons, banners and amusing novelties.

Guests arrived at 7.00pm and enjoyed reception drinks in the bar and courtyard before dinner was served at 8.00pm. The party and celebrations continued until 11.30pm. The key organisers stayed in the farmhouse accommodation while Phil and his partner were treated to a night in the luxurious Hayloft executive suite.

Client Testimonial

"I would like to thank all the staff at Mythe Barn for a very enjoyable evening (night for those who stayed). The feedback to myself and Colin has all been excellent, the presentation of food, the relaxed atmosphere and friendliness of staff."
